

## **Canterbury highlights:**

For a full list of what to do please visit [www.canterbury.co.uk](http://www.canterbury.co.uk) and click on Things to Do.

These are our highlights:

- Canterbury Cathedral
- Beany Museum
- Roman Museum
- St Augustine's Abbey
- Walk along the city Walls starting at the top of Castle Street (behind Castle Row car park)
- Punting. We are lucky to have a non-touristy punting company on Water Lane (5 minutes walk from 8 Castle Street). You can either hire a punt for your private group or share a punt and then either punt into the countryside or through the historic centre. To reach it exit 8 Castle Street then walk to the right. At the end of Castle Street turn left. At the end of the road there is a path directly ahead leading to the river, café and the punting company. <https://www.canterburypunting.co.uk/>. Keep your ticket and get 10% off at The Olive Grove, Weavers, and The Foundry Brew Company & others.
  - Alternative there is another punting company operating the same river network but starting at Westgate towers at the other end of the high Street
- Canterbury Guided Tours – either group, private or themed tours. <https://www.canterburyguidedtours.com/>
- Canterbury Ghost Tours
- Eastbridge Hospital, where Pilgrims stayed whilst visting the shine of Thomas Becket, restored chapels, sleeping quarters and dining hall
- Greyfriars Chapel set within Greyfriars Garden. Remains of one of the first UK Franciscan Priory

### ***For an evenings entertainment, please consider the following:***

- Theatre – Marlowe Theatre. The Gulbenkian Theatre (on the University of Kent Campus).
- Cinema – Riverside Cinema and Curzon cinemas are both in the centre of town. The Gulbenkian on the University of Kent Campus also has a cinema and shows a mixture of mainstream and art films
- Houdini's Magic Bar
- Lady Luck for live music and vegan food
- Check the Kent Country Cricket Spitfire Ground for their 3 big named bands live outdoor shows
- Visit <https://www.canterbury.co.uk/the-canterbury-nightlife-guide/> for more ideas
